

# Nickel Centre Minor Hockey Association Jersey Care Instructions

## Washing Instructions

- Wash Jerseys inside out
- Only Jerseys in Machine
- Use colour safe detergent
- Use cold water safe detergent
- Use colour safe stain remover only
- No bleach
- No softeners
- Wash in cold water
- Hang to dry is preferred
- Only use the dryer on low heat tumble dry

## TIPS

- Do not place soiled/wet Jerseys inside garment bag after games
  - The garment bag and jerseys will have high odours otherwise
- Place used jerseys in small bin to transport home to wash
- Place garment bag on top of bin to transport home
- Place hangers inside garment bag when not in use
- Place clean & dried jerseys on hangers back in team garment bag to transport to games
- Be careful when transporting jerseys to games as the garment bag has side open mesh

*Thank you for your care of the NCMHA Jerseys!*
